**Giving in chapter 1: Charlotte Dunois **

It was the night after the fight between Houki and Laura, Ichika was currently sitting with his back up against the soft skin of his blond female roommate, Charles Dunois.

"Um, Charles you sure it's fine if I stay here?" Ichika asked as he glanced at the ceiling trying to ignore the thought that he was in a bath naked with a naked beautiful girl as well as cute.

"It's fine as long as you don't look" She replied her tone quite shy but also firm to an extent

"D-don't worry I won't look" Ichika stammered as he stared harder at the ceiling

"Um, Ichikaâ€¦ I want to stay hereâ€¦ at the IS academy" Charles spoke

"I hope you do it would be less fun without you" Ichika spoke in his usual supportive manner, earning a blush from the blonde

"Ichikaâ€¦" Charles spoke as she turned and pressed her body against Ichika's muscular chest, especially her breasts Ichika blushed and her action made him even more nervous.

"Can you call me Charlotte?" She asked meekly

"It's my real name, the one given to me by my parents" she explained a blush still persisting on her face

"Of course Charlotte" Ichika replied making Charlotte blush harder

"Um, Charlotte is ok if I can call you Char when it's just the two of us? Unless you don't want me to?" Ichika asked his tone nervous however the nickname made Charlotte's heart flutter

"Non, its ok I like itâ€¦" she replied promptly her heart still fluttering in her chest, she liked the nickname and it made her feel closer to Ichika.

"Char, I also want to thank you for helping me during the competitionâ€¦ we made a great time" Ichika said with a smile, making Charlottes blush deepen and persist. He was still nervous about the fact she was pressing herself against his back but he kind of liked it, she was soft and warm. If he was honest she was his best friend in the academy they both shared their secrets, fought together and talked together. It finally took him a while to realize but this moment confirmed it she liked him.

Ichika was then hit with another realization that the dense boy should have realized earlier, Houki, Rin and Cecilia liked him as well. A tinge of guilt welled up in his chest, how could he be so dense that he didn't realize that they liked him. Another thought then hit himâ€¦ the girls would want him to pick one of them but that made him frown slightly he didn't want to pick any of them he wanted them to all be friends but fi he picked one of them the possibility of them staying as friends was slim or at least things wouldn't go back to the way there were.

"Ichika are you alright?" Charlotte spoke a slight tone of concern in her voice

"Yeah Yeahâ€¦" he said trying to not make eye contact with the blonde

"Ichikaâ€¦" Charolette spoke she knew something was wrong

"Do you like me Char!" Ichika spoke rather loudly and he looked at the floor in embarrassment while Charolette blushed and turned away from Ichika.

"What do you mean like?" she stammered back in embarrassment as she looked away

"I-It's justâ€¦ that I realized you girls like meâ€¦ but I am kind of unsure" he explained while scratching his cheek

"But I also don't want to pick any of youâ€¦. I want us to be friends but I know I will have to pick one of youâ€¦. I don't want to thoughâ€¦ I value you all your friendshipsâ€¦" Ichika spoke his tone sincere and mature; Charlotte was surprised Ichika actually thought this through, she just assumed he was really dense (Still thinks he is to an extent).

Charlotte stayed silent she wasn't sure what to say to Ichika, she did realize he had a daunting decision to make, her heart wretched a little she wanted to say something but she couldn't. For the first time since they entered the bath Ichika turned to face Char, his dark brown eyes meeting her purple ones.

"Char, I can't pick only one of youâ€¦ is it okay if I love you all equally?" he asked her his tone serious but a hint of doubt and nervousness in his eyes

"Love us all equally!" she practically shrieked

"Ichika no Ecchi!" she said as she looked away from him

"No, I am doing this for you girls I-I just can't pick one of you and I don't want to keep ignoring your feelingsâ€¦ so isn't the only choice to love you all equally?" he spoke logically his expression maintaining its seriousness

"But why are you telling me this now? Shouldn't you say this when everyone's around?" She asked

"I asked now because I trust you Charâ€¦" he said truthfully, making the French girl blush even more

"I don't knowâ€¦. Ichikaâ€¦." She spoke unsure

"I am not sure if we will be willing to shareâ€¦" she spoke hesitantly

"I expected thatâ€¦. But maybe I can convince themâ€¦" he spoke hopefully, Charlotte could see the reasoning behind Ichika's thoughts but she wanted him to herself.

She realized Ichika seemed intent on going through with this idea but she could stop him here if she just took the initiative. She leaned in closer to Ichika, her eyes locked with his while he returned the gaze.

"Charlotte?" Ichika spoke his tone confused before she captured Ichika's lips in a kiss, the boys eyes widened but he didn't pull away from the kiss. In-fact he was rather enamoured by the kiss, her lips were soft and she tasted sweet. Ichika even pressed his lips against Charlottes deepening the kiss.

After a few seconds she broke the kiss and looked away from Ichika a blush on her face. An awkward silence filed the air as the two teenagers froze. Ichika finally mustered the courage/resolve to speak.

"Charlotteâ€¦ I like you..." he admitted the blonde turned her head to look at Ichika a blush on her face, making her look cute which made Ichika smile.

"I like you to Ichikaâ€¦" she admitted

"But Charlotte Iâ€¦" Ichika tried to speak he wanted to tell her that he was going to love them all equally but he didn't manage to finish his sentence as Charlotte captured his lips in another kiss this time Ichika immediately reacted pressing his lips against hers while also wrapping his arms around her bringing her into his embrace as they kissed.

Ichika then intensified the kiss by gaining entrance to her mouth allowing his tongue to explore the depths of her mouth before bring her tongue into a passionate dance. Charlotte then wrapped her arms around Ichika's neck bringing him closer to her, the sensation of his well-built body pressing against her aroused her while Ichika was aroused by Charlotte's soft body and breast pushing into him.

They finally broke the kiss but not because they wanted to but rather cause lack of oxygen. Both of them were panting slightly while both had a deep blush etched on their faces. Although they both felt comfortable in each other's embrace although their desires were slowly rising.

Ichika froze as his arousal was currently pressing against Charlotte's leg while Charlotte glanced away knowing what was happening, The situation was extremely awkward to say the least.

"Umâ€¦" Ichika spoke wanting to say something but unsure what to

"Ichika do you want toâ€¦." Charlotte asked a blush on her face

"Onlyâ€¦ i-if you want toâ€¦." Ichika spoke nervously, never in a million years would have Ichika thought he would be in this situation

Her response was a solemn nod before she straddled Ichika and pushed him back against the edge of the bath. By now Ichika's eight inch length had become stiff and hard, it didn't help the fact that it was nestled in between the valley of Charlotte's soft ass cheeks.

Charlotte then placed her hands on Ichika's shoulder before lifting her herself a bit, postioning herself above Ichika's length. Ichika looked at her one last time, Charlotte noticing he wanted to see one last time if she wanted this she nodded before lowering herself onto his length.

The tip of his arousal entered her warm aching depths drawing a moan from the blonde before his length went deeper into her eventually piercing her hymen earning a sharp yelp of pain from her and a small amount of blood dribbling out and mixing with the water. Ichika's eyes widened in shock, he had done it, he had taken Charlotte's first time. The action had drawn a moan of pain and pleasure from Charlotte while Ichika grit his teeth at his first sensation of sex.

Ichika didn't move as the blonde got accustomed to the new sensation while also bearing the pain but she couldn't hide the tears that formed at the corner of her eyes.

"Charlotte we canâ€¦" Ichika spoke not liking the sight of her in pain but all he got in response was Charlotte kissing him before her tongue entered his mouth exploring its depth before she began duelling his tongue in a passionate fervour as she started to move her hips up and down. She began moaning into the kiss a mixture of pain and pleasure but kept moving albeit slowly.

Ichika though was enjoying the pleasure rocking his body, she was so tight so warm and wet and he felt as if he was getting sucked in. He placed his hands on her ass and began helping Charlotte in her actions. Charlotte broke the kiss and rested her head on Ichika's shoulder while moaning into his ear as her hips continued moving.

"Charlotteâ€¦ you are so tight" Ichika spoke through laboured breaths

"Ichika!" Charlotte moaned before she threw her back and began grinding her hips firmly against his

Ichika was now at face level with Charlotte's breath; he promptly latched his mouth to her right breast and began sucking on her hard erect nipple. Charlotte moaned loudly as some drool escaped her mouth, pleasure was clouding her mind and her body felt hot all over.

"Ichika!" she moaned as he sucked her breast before slamming her hips down as hard as she could practically impaling herself on his length, Ichika groaned loudly. He was getting closer and closer to cumming her tight insides slowly massaging his length.

"Charlotte I am gonna!" he warned her but she didn't care she wanted his warmth deep inside her

"Ichika, it's okay. I love you!" she said in between her moans of ectasy

"I love you to Charlotte!" he spoke with fervour as he wrapped his arms around her body and brought her close to him

With one final motion Charlotte buried Ichika's length as deep as she could before screaming out in ecstasy while Ichika groaned as he couldn't hold back his desire and he erupted inside of Charlotte, filling her with his warmth.

Charlotte rested her head on Ichika's shoulder while breathing heavily into his ear he came inside her but she didn't care his warmth made her fill happy, Ichika too was breathing heavily almost panting but his body was still in the throes of pleasure, his vision a bit cloudy.

After a few more minutes, Charlotte finally spoke,

"I think we should go before someone comes in here" She spoke

"Yeahâ€¦" he replied before he reluctantly broke her embrace

The two stepped out of the water and got dressed in their academy uniforms.

"Ichika, I am going to tell everyone I am a girl" she informed him

"If it is what you want" he replied

"Um, Ichikaâ€¦" She spoke nervously

"Yes?" he quickly spoke a bit curious about what she had to say

"I don't mind if you share but you have to promise that you will treat us all equally" she told him but it was more of a demand, Ichika smiled before replying by kissing her lightly on the lips.

"I promise" he told her

**Well that's all I hope you liked that! The next character will probably be Houki after Ichika gets a few beating for his idea. Review your thoughts and I will update when I can until next time! **
